

# Seminars on developments in Light Scattering and method transfer in Laser Diffraction to Mastersizer 3000, **Agenda**

*Crowne Plaza Hotel, Blanchardstown, Dublin*  
*Monday Nov. 26th, Zetasizer and new DLS technologies*  
*Tuesday Nov. 27th, Mastersizer and method transfers*

**With Donnchadha Quilty,  
Ciaran Maguire, Manuel Kuhs,  
Arthur O'Kelly and Sean Quilty**

## Zetasizer and DLS Seminar:

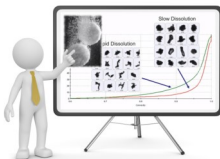

- ⇒ Registration (09.00) & Introductions (09.15)
  - ⇒ New DLS technologies
  - ⇒ Zetasizer product range updates
  - ⇒ New applications
  - ⇒ Discussion
- ⇒ Lunch (12.30 to 13.30)
  - ⇒ Light scattering principles
  - ⇒ Dynamic Light Scattering basics
  - ⇒ Making good measurements
  - ⇒ Zeta Potential
  - ⇒ Troubleshooting
- ⇒ Discussions (16.30)

## Mastersizer and Laser Diffraction seminar:

- ⇒ Registrations (09.00) & Introductions (09.15)
  - ⇒ Malvern Panalytical updates
  - ⇒ Mastersizer 3000 accessory updates
  - ⇒ Particle sizing analytical improvements
  - ⇒ Sizer 3.71 software features and updates
  - ⇒ Data Integrity for Pharma
- ⇒ Lunch (12.30 to 13.30)
  - ⇒ Laser Diffraction basics
  - ⇒ Method development basics
  - ⇒ Method transfer to MS3000
  - ⇒ Troubleshooting
- ⇒ Discussions (16.30)
